NJB presented large aerial photographs of HPHA park as it is now, along with photos of other work done by them.

In the next three weeks, NJB will be visiting the park, and will develop drawings that show opportunities for development. There will be another general meeting in three weeks of so (date to be announced) and NJB will make more specific proposals. The next three weeks will also be a time for homeowners to contact either NJB or Matt Bach with their suggestions. After the next meeting, NJB will come back with more specific proposals as well as a proposed prioritization for implementation of the proposals.

**Security:** Patrols by Officer Peck have been very effective.  
Carol and Allison will not be available this summer, so the VIP Program will shut down until fall.
